Explanation

Projects/partners: Alaska Trails Initiative-Alaska Trails is leading this initiative which is a coalition of trails organizations from around the state collaborating with leaders in government, business, the health industry, and the non-profit sector to invest more in the trails we love. People and communities across Alaska recognize that outdoor recreation supports health, contributes to a high quality of life and, perhaps more importantly, drives spending that supports business, creates jobs, and generates tax revenue that pays for schools and other public services. Investing in outdoor infrastructure attracts employers, residents, retirees, and a skilled workforce, ensuring those communities thrive economically and socially. More than one job in ten in Alaska is tied to tourism and outdoor recreation spending. Smart investments could further grow this dynamic sector. In this vein, the Alaska Long Trail project seeks to connect 500 miles from Seward to Fairbanks.
