- Contract awarded by NFF in December.
- ~5-miles new trail construction. Continues trail north to sea-level (Portage Curve).
- Work to occur summer ‘24-26.

Turnagain Pass Trail – “Eddie’s North”

Turnagain Pass Trail – Johnson North to Lyon

- Finalizing contract packages now. Solicit soon.
- ~5-miles trail reconstruction.
- 4 new bridges.
- Work to occur summer '24-26.

Next Steps

- Wolverine Creek bridge design and construction.
- Grant Creek bridge construction and trail extension.
- Twentymile design effort.
- Snow River bridge trail connections.
- TBD – depends on funds.

Other: Primrose Reconstruction

- Separated trail work contract from bridges.
- Hopefully resolicited soon.
- Bridges next, as funds allow.

Other: Ongoing

- SRD Trail Crew continues Johnson Pass Trail deferred maintenance.
- GRD Trail Crew continues Upper Winner Creek Trail deferred maintenance.
- Portage Curve Bike Path complete this summer.
- Snow River bridge pedestrian path this summer.
- New trailheads at Vagt Lake and Portage Pass.
- Glacier Creek bridge – Girdwood.
