

Northern Trail Maintenance

What We Do

- Annual Trail Brushing
- Clearing Sight-lines for Multi-use trail
- Alder and Willow pruning
- Original bench cut vegetation restoration

Working with trail groups

- Singletrack Advocates
- VMBAH
- Chugach Park Fund

**Why Annual
Clearing?**

Sight Lines

- Improve safety
- Relieves user conflict
- Less wildlife encounters

Long Term Advantages

- less time to clear
- Trains vegetation to grow up instead of out
- Lessens the need for chainsaw work

Alaska Problems

- Short window of time
- Heavy growth
- Overgrown trails
- Too much time between Maintenance
