Singletrack trail from
Glen Alps to Prospect

Chugach State Park
Hemlock Burn Trail

TRAIL DESIGN

- Beginner/Intermediate **Family Friendly Trail**
- Similar in character to South Fork Rim Trail and Bolling Alley
- Recommended downhill direction for bikes.
- Designed for biking, hiking and skiing.

Lee Bolling (STA) led trail development with CSP, CAB & Stakeholders.
Jon Underwood (Happy Trails) completed detailed trail design.

Happy Trails:
Sawyers, Sweco, Excavators, Hand Finish

Excavating to raise trail tread in flatter terrain

Happy Trails - Hand Finishing

Epic Views

STA Hand Finishing

More Volunteering
this summer

Great hiking trail!

...but too much use
before compaction
at times.

Final Day of Construction
(October 2020)

Popular Ski
Trail!

2021 and beyond...

- Fundraising Goal of \$115,000 to finish project
- Construction restarts Summer 2021
- Maintenance Partnership with Chugach State Park
